**Butter Braid** frozen pastry dough is a delicious 22 oz. pastry filled with various

mouthwatering fillings. Allow your frozen pastry to thaw and rise (8-12 hrs.) until double in size, then bake (20-25 min.) for a home-made breakfast or dessert.

There are 48 frozen pre-portioned cookies per box. Make

home-made cookies without the home-made mess. Simply place onto a clean, dry cookie sheet and bake.
